TODAY'S PRESENTATION

Facilitating the Energy Resiliency Discussion
Robin Kiepert, CEM

Resource Efficiency Manager, 45th Civil Engineering Squadron

This presentation will help those who contract with Federal Government agencies determine what questions about resiliency they should be asking. Energy Resiliency/Security will become the next level of Mandated Energy Programming.

This presentation will discuss some DoD energy security threats, policy drivers, benefits and possible funding streams. Plus, ways to create your own resiliency plan for your business lines will be discussed.
