

STEM ENGINEERING & CONSTRUCTION CAMP

SAME - US Army, Vicksburg, MS June 11-17, 2023

Application Deadline: March 15, 2023

The Society of American Military Engineers (SAME) is accepting nominations for 40 qualified high school students interested in attending the SAME/Army Engineering and Construction Camp. Students will engage in hands-on engineering and construction activities under the mentorship and supervision of SAME professionals and other volunteers from the local engineering community. The program includes interaction with representatives of architecture/engineering firms, construction companies, military leaders, and the US Army Corps of Engineers.

WHERE:
Vicksburg, MS

WHEN:
June 11-17, 2023

BASIC APPLICATION CRITERIA:

- At least 15 years of age at time of Camp.
- Rising Junior or Senior in the Fall of 2023
- On a track that will provide a basis for attending an accredited engineering college or university (i.e., taking appropriate STEM courses)
- Minimum GPA of 3.2 (not required but highly recommended)
- Demonstrated leadership characteristics through participation in extra-curricular activities, sports, and/or community activities
- Physically fit
- U.S. Citizen
- Able to provide proof of medical insurance

COST:

Due to local support from community partners and businesses, the total registration fee for the Army camp is \$100.

TO APPLY:

Visit www.same.org/camps. To begin the camp application, you must create an account in Open Water. This is a competitive process and students are selected by the sponsoring Posts.
