## How to do business with NASA, KSC:

- One of the ways you can introduce your services or products to NASA, KSC and KSC Prime Contractor representatives is by participating in a Joint Counseling Session.
- These sessions are held twice weekly at KSC's Central Industry Assistance Office (CIAO). At this time JCSs are suspended. However, you may call (321) 867-7353 to be placed on a wait list for appointments. We plan to resume Joint Counseling Sessions in April, 2017.
