

The Space Coast Post of the Society of American Military Engineers (SAME) is pleased to offer an expanded scholarship program to graduating high school senior students interested in pursuing a bachelor's degree in architecture, construction-related engineering or construction management.

2020 SAME Scholarship Grants

The Space Coast Post of SAME will award up to four First-Year Scholarship Grants, for academic achievement in the amount of \$2,500 each, to top-ranked graduating high school senior students.

All applicants must meet the eligibility requirements, submit a completed application by **March 27, 2020**, and provide a letter of acceptance to an accredited college which offers degrees in Architecture, Engineering or Construction Management prior to the **April 16, 2020** awards program. Please note, scholarship recipients will be required to provide the scholarship committee with details payment details, such as the office, contact and address for the scholarship funds.

ELIGIBILITY:

Applicant must:

- 1) be a Florida resident;
- 2) be resident of Brevard County, Florida or have a parent that is a primary member in good standing within the Space Coast Post (primary member in good standing implies that dues are paid in full as of January 2020 and the Space Coast Post is the primary SAME Post);
- 3) be a graduating high school student attending a public, preparatory, or parochial school in Brevard County, Florida or be a documented home schooled high school graduate. (Documentation must show registration through a covering Private School or registration with the Brevard Public School system);
- 4) rank within the upper 20% of his/her high school class;
- 5) plan to pursue a baccalaureate degree in infrastructure/facilities based Architecture, Engineering or Construction Management (e.g., Power Distribution, HVAC, Civil/Site design, building envelopes);
- 6) provide references and other indications of character and leadership;
- 7) provide a letter of acceptance to an accredited college of Architecture, Engineering, or Construction Management;
- 8) submit a one page ESSAY, double spaced, 12 point font, which describes your interest in pursuing Engineering or related Construction Field; and,
- 9) as an option, the applicant may indicate the additional "Needs Based" criteria, with the additional preparation and submittal of a paragraph description of the circumstances. (NOTE: SAME, on a case by case basis, reserves the right to contact the applicant for further clarification.)

SELECTION PROCEDURES:

The recipient will be chosen on the basis of:

- (1) high school grades (with emphasis on engineering, math, and physical science courses) and unweighted grade point average;
- (2) test results (SAT, CEER, ACT, others);
- (3) recommendations by their principal, advisor, and/or instructor; and,
- (4) references and other indications of character and leadership; and,
- (5) if the applicant indicated “Needs Based”, and provided the accompanying, short (one paragraph), description for Needs Based. Each Needs Based request will be considered on a case by case basis.
- (6) community involvement

The scholarship grant will be awarded directly to the student’s college scholarship fund.

The Scholarship Selection Committee will be composed of representatives from the SAME Space Coast Post. The decision of the Committee is Final.

For an application to be valid, this Committee must receive a completed application no later than **March 27, 2020**, at 5:00 p.m. High school students must include the following along with their application:

- (1) a certification statement that they rank in the upper 20% of their graduating class;
